Dear Author(s),

Thank you for submitting your article to A&A. Because the paper's first author is not working in one of the countries that sponsor A&A, we must request page charges for this paper. The evaluation process will start as soon as we receive the signed page charge form (see below).

Thank you in anticipation.

Yours sincerely,

Editorial office on behalf of
Thierry Forveille
A&A Editor-in-Chief

FORM TO BE FILLED OUT, SCANNED AND RETURNED by MAIL TO :
aanda.paris@obspm.fr

ASTRONOMY AND ASTROPHYSICS

European Journal

61 avenue de l'Observatoire

75014 Paris FRANCE

Fax: 33 1 43 29 05 57

Authors from countries not sponsoring the Journal will be asked to pay a page charge (100 Euros per page) for articles published in "Astronomy & Astrophysics" to the European Southern Observatory (ESO), Karl Schwarzschild strasse 2, D 85748 Garching bei München, FRG. The invoice will be sent by ESO after publication of the paper.

For the paper:

AA/2013/21223

Improved methods for determining the kinematics of coronal mass ejections and coronal waves

J. P. Byrne, D. M. Long, P. T. Gallagher, D. S. Bloomfield, S. A. Maloney, R. T. J. McAteer, H. Morgan, S. R. Habbal

3/8 of the page charges will be requested.

The invoice should be sent to :

(institute/name) Attention: Kathy Ternya
Inst. for Astronomy
2180 Woodland Drive

(address) Hm, HI 96822
Email: ternya@ifa.hawaii.edu

If the invoice is not paid in due time, the author(s) will be made responsible for its settlement.

FEB 5TH 2013 
(date) (signature)

Please do not make any payment before receipt of an invoice.
